Chuck Conner brings 16 years of high level executive recruitment expertise to launch new practice area with growing, diversified professional services firm.

Pittsburgh, PA - McCrorry and McDowell announced today the launch of McCrorry & McDowell Employment Solutions (MMES), a new executive recruiting services division.

The Dewey & Kaye division of McCrorry & McDowell is already well-known for staffing, interim placement and executive search for nonprofits and foundations. Inspired by Dewey & Kaye's substantial success in filling this critical need for nonprofits, McCrorry & McDowell has decided to capitalize on its strengths as one of Pittsburgh's leading accounting firms and offer executive recruitment and placement services to the for-profit sector on a local, regional and national scale. MMES complements this service by offering world class executive recruiting in the financial and human resources spheres.

MMES provides staffing solutions for all companies and industries in the areas of accounting, finance and human resources. Using research, sourcing, recruiting techniques and technology, MMES identifies and secures highly qualified candidates on a local, regional, and national basis in a wide range of fields and industries. MMES's goal is to help clients grow and increase their competitive advantage.

Joining McCrorry & McDowell to lead this timely new practice area is Charles "Chuck" J. Conner. Mr. Conner, a Certified Personnel Consultant, has spent the past 16 years specializing in the recruitment and placement of executive-level accountants, controllers, chief financial officers, financial analysts, auditors, treasurers, and human resource professionals.

"Talented financial professionals are vital to the success of any business. This service offering is a natural fit for our quest to serve existing and new clients in that capacity." says James S. Lawson, Co-CEO of McCrorry & McDowell.
