

"Mosaic is a GREAT recruitment tool. I am pleased with the quality of the applicants and especially pleased in how many minority applicants it generated. I am recommending you to anyone I know!"
David Brewton, East Liberty Family Health Care Center

Mosaic, Dewey & Kaye's free electronic newsletter, is published twice every month and reaches over **10,000 qualified nonprofit professionals**. The second issue each month is dedicated solely to job openings. Jobseekers can access new job listings by viewing the JobsWatch webpage at any time. The cost to post a position is **only \$100.00** for nonprofit organizations.
